Quilt Center Assembly

Refer to the Quilt Center Diagram for assorted print $6\frac{1}{2}$ " square, Sashing, and Setting Triangle placement. Sew rows together on the diagonal to complete the center of the quilt. Add Corner Triangles. The Corner and Setting Triangles are intentionally larger in order to square up the quilt center, leaving $\frac{1}{4}$ " seam allowance on all sides.

Borders

Seam allowances vary so measure through the center of the quilt before cutting border pieces. Sew border strips together end to end if necessary to get the length needed. Sew side borders first.

Border 1

Side borders should be 43". Top and bottom borders should be 47".

Border 2

Side borders should be 47". Top and bottom borders should be 59".

Finish quilt by layering the quilt top, batting, and back. Bind with your favorite Riley Blake fabric from the Offshore Collection. Have fun with your colors and enjoy the journey of making your quilt.
