

# Zoo Dwellers

48" x 55"

by Andy Knowlton

www.abrightcorner.com

\*all seams are 1/4"

\*WOF = width of fabric

## Fabric Requirements

7 fat quarters, various prints

1-1/8 yard solid white

1/2 yard binding

2-1/3 yard backing

## Cutting Instructions

Follow the FQ cutting diagram to cut 3 @ 6.5" x 10.5" and 2 @ 4.5" x 6.5" from each fat quarter

From the solid white cut:

5 @ 2" x WOF. Sub cut each strip into 2" x 6.5" strips. Need 28.

7 @ 2" x WOF. Set aside to use for long sashing strips.

5 @ 2.5" x WOF. Set aside to use for borders.

## Quilt Construction

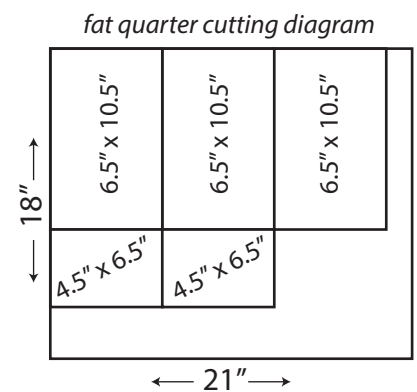

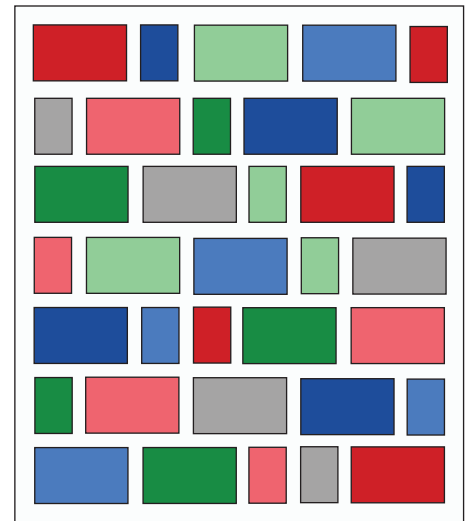

Refer to the quilt assembly diagram to layout all blocks.\*\* Place a 2" x 6.5" white strip between blocks. Sew each row together, with a 1/4" seam allowance. Press seams away from white strips.

To make long sashing strips, remove selvages from all 7 (2" x WOF) strips. Sew strips together end to end to make one long strip. Cut into 6 strips that are each 44.5" long.

Join rows together with long sashing strips between each row. Press seams toward sashing strips.

To make borders, remove selvages from the 2.5" wide border strips. Sew strips together end to end to make one long strip. From this long strip cut 2 strips that are 51.5" long, and 2 that are 48.5" long. Sew the two 51.5" long strips to the sides of the quilt top. Press. Then sew the two 48.5" long strips to the top and bottom of the quilt top. Press. Your quilt top is done! Baste, quilt and bind as desired.

\*\*You can swap blocks to change color placement if desired, just be sure to have 3 large and 2 small blocks in each row or the row will not be the correct length when sewn together.
